- **Programme manager and facilitator, Executive Learning Partnership (2010 – 2014)**

ELP is an international network company focused on realising breakthroughs by combining and applying tools, techniques, knowhow and experiences from the world of management, consultancy, academia, business schools, science and performing arts.

As programme manager and facilitator at ELP Network I was responsible for the design and delivery of interventions in complex change processes on an individual, team and organizational level. Clients include: TNT (global), Allen & Overy Belgium, Carglass.

- **Management Consultant, Holland Consulting Group (2009 – 2010)**

Holland Consulting Group is a consultancy specialized in the areas of culture change, human resource management, strategic management, organization design and performance management. Well known owners are Willem Mastenbroek, Willem Vrakking and Arend Ardon.

I provided training and coaching to senior management and young professionals (on themes such as 'Personal Leadership', 'Negotiating', 'High Performing Teams', 'Leading Effective Projects' etc). Next to that I supported clients in leadership development programmes and was part of assessment teams in a Development Centre for the selection of executives.

Clients: Arcadis, Deutsche Bank, Erasmus University, different city councils, Sanoma Media and Onze Lieve Vrouwen Gasthuis hospital (OLVG).

- **Management Consultant, Futureconsult (2005 – 2009)**

Future Consult facilitates companies, public and non-profit organizations in developing their long-term vision and strategy in a co-creative way.

My role was to design and execute projects in the context of strategic change processes. I also delivered workshops and training on future thinking and scenario planning (both in business schools and in-company). Furthermore, I was responsible for project management and acquisition.

I was involved in a wide variety of projects with mostly boards and directors in profit and non-profit organizations such as Novib/Oxfam, Pon Holdings, GGD, various ministries, business schools, universities and a wide range of smaller organizations.

- **Teacher at a private secondary school and ROC ASA (2002 - 2005)**

## ACTIVITIES

- I'm an avid writer of blogs on leadership and team development. Some columns get published at [Managementsite.nl](https://www.management.nl).
- In my spare time, I enjoy my voluntary work at different foundations (young professionals at NGOs, teased or underprivileged children) where I create situations of mutual sharing and learning. Also, I enjoy singing with my vocal group.
